

Whatever it Takes

“Whatever it Takes” group was the brainchild of Local 174 Leadership. It was brought to the attention of our President John Moore while he attended a Presidents meeting at Region 1A. Matt Slade, Shop Chairman spoke about how last year Local 174 Leadership went to Texas to protest the unfair trade agreement and NAFTA. As part of the protest, the group of more than 20 union activists shut down the border crossing with Mexico. President Moore was so encouraged with what they did he began asking Local 387 members to volunteer to become involved with this initiative. We are pleased to announce we are the first charter group of the Whatever it Takes movement. Our objective is to bring awareness to our membership of the injustices against not only union members but against all American workers. In the near future, we plan to participate with Local 174’s group in a protest against Wall Street and corporate greed. If you would be interested in joining this group, you can contact any member of the group: Carlos Ayoub 92-3B, Brian Clendennin 32-2A, Sue Wilse 92-2A, Dorothy Scott 92-3B, or John Moore at the Local.

President,
John Moore
